Docket No. CP2020-273

ORDER APPROVING AMENDMENT ONE TO
PRIORITY MAIL NEGOTIATED SERVICE AGREEMENT

(Issued October 30, 2020)

I. INTRODUCTION

The Postal Service seeks to amend a Priority Mail negotiated service agreement.¹ For the reasons discussed below, the Commission approves the Amendment.

¹ USPS Notice of Amendment to Priority Mail Contract 658, Filed Under Seal, October 29, 2020 (Notice). The amendment is an attachment to the Notice (Amendment).

II. BACKGROUND

In Order No. 5692, the Commission approved the Priority Mail Contract 658 negotiated service agreement (Existing Agreement).² On October 29, 2020, the Postal Service filed notice that it has agreed to the Amendment to the Existing Agreement.

The Postal Service intends for the Amendment to become effective three business days after the date that the Commission completes its review of the Notice. Notice at 1.

III. COMMISSION ANALYSIS

The Commission has reviewed the Notice and the accompanying materials filed under seal.

Cost considerations. The Commission reviews competitive product prices to ensure that each product covers its attributable costs, does not cause market dominant products to subsidize competitive products, and contributes to the Postal Service's institutional costs. 39 U.S.C. § 3633(a); 39 C.F.R. §§ 3035.105 and 3035.107. As long as the revenue generated by the product exceeds its attributable costs, the product is unlikely to reduce the contribution of competitive products as a whole or to adversely affect the ability of competitive products as a whole to contribute an appropriate share of institutional costs. In other words, if a product covers its attributable costs, it is likely to comply with 39 U.S.C. § 3633(a).

The Amendment revises the implementation of tiered pricing³ and also revises the language of the provision concerning price adjustments to be consistent with the pricing tables. Notice, Attachment A at 1.

² See Docket Nos. MC2020-243 and CP2020-273, Order Adding Priority Mail Contract 658 to the Competitive Product List, September 22, 2020 (Order No. 5692).

³ The Commission notes that the Amendment, unlike the Existing Agreement, does not explicitly specify the date after which tiered pricing will take effect. However, this ambiguity is resolved by the language of paragraph I.H of the Existing Agreement, which is not revised by the amendment.

The Amendment does not materially affect the underlying financial analysis of the Existing Agreement. Thus, the Commission finds that the Existing Agreement, as amended, comports with the provisions applicable to rates for competitive products in 39 U.S.C. § 3633(a) and 39 C.F.R. § 3035.107.

Other considerations. The Postal Service states that the Amendment shall become effective three business days after the date that the Commission completes its review. Notice at 1.

If the Existing Agreement, as amended, is terminated prior to the scheduled expiration date, the Postal Service shall promptly notify the Commission.

In conclusion, the Commission approves the Existing Agreement, as amended.

IV. ORDERING PARAGRAPHS

It is ordered:

1. The Commission approves the Priority Mail Contract 658 negotiated service agreement, as amended.
2. The Postal Service shall notify the Commission if the Existing Agreement, as amended, terminates prior to the scheduled expiration date.

By the Commission.
